

BEST WEEK EXER!

Bringing Campto Your

SCHEDULE:

We start the day with morning celebration, a gospel-infused time of worship and fun to wake your kids up and center the day on Jesus.

Next, we head outside for some high energy games and activities such as gaga ball, basketball, bouncy houses and water games.

Next up is lunch! Bring your own and enjoy time with your small group.

Midday, we focus on the heart with Bible lessons and small group discussion times. We want to plant seeds to help grow your kids into followers of Jesus.

The afternoon is filled with MORE games and fun. Enjoy more time doing activities and being creative.

We end the day how it began with a celebration focused on worshipping Jesus and having fun.
