

## STATE MISSIONS

"And he said unto them, Go ye into all the world, and preach the gospel to every creature." Mark 16:15.

The members of our church who make financial contributions to the budget have a part in carrying out the "Great Commission" of our Lord. Our church sponsors the following phases of mission work -- foreign, home, state, area, associational and local. Our foreign mission work is carried on in sixty political entities outside the United States through the efforts of the appointees of the Foreign Mission Board, in the number of more than nineteen hundred. The field of operation of the Home Mission Board comprises all of the fifty states of the Union, Panama, and Cuba; the latter being done in a very limited fashion now under the Castro regime. There are at present over twenty-four hundred home missionaries on the field. The Home Board is giving considerable emphasis to Pioneer Missions in those states in the West and North where not many Baptists are found, and in certain large cities like New York, Chicago, and Detroit. This Board co-operates with various State Boards in promoting the work.

Another channel through which our church voluntarily works with other Baptist churches in carrying out the Great Commission is state missions. Seeking to help our churches to be more efficient and effective, the Executive Board of the Kentucky Baptist Convention carries on work through the following departments: Sunday School, Training Union, Evangelism, Direct Missions, Foundation, Stewardship, Student Union, Church Music and Brotherhood. The program which State Missions fosters includes evangelism, indoctrination, enlistment, stewardship, and the promotion of missions.

From June 1956 to December 1964 Kentucky Baptists organized 188 new churches and established 536 missions.

An anonymous gift has enabled the Direct Missions Department to place five men in remote sections of our state where they can spend full time ministering to the people with an itinerant-colporter preacher type work that is proving very effective. They work in cooperation with local church missions committees.

Our accomplishments in the future will be determined by the stewardship of the lives, talents and possessions of Kentucky Baptists.
